The American Family – Today and Tomorrow A Luncheon Discussion Series

Mondays, June 5, 12, 19, 26

*The face of the American family is changing.
How do people of faith and goodwill respond to these changes -
in our congregations, communities, and culture?*

June 5 Dr. Allan Carlson, President of the Howard Center for Family, Religion & Society
The economic viability of the family and the government's role in providing a family-friendly tax environment.

June 12 Warren Heinke, LCSW, Regional Vice President, Children's Home & Aid
The effect of separation and loss on children and how it can be lessened, using foster care as a model.

June 19 Dr. Tom McIntyre, Assoc. Professor of Anthropology & Sociology, Rockford College
Alternative family forms and their impact on child development.

June 26 Dr. Linda Noer, Chair, Department of Social Work, Carthage College
Influence of the media on the family and current research trends concerning the future of the family.
